RULES AND REGULATIONS

The management will be under the control of the Executive Committee of the Alberta Horse Breeders' Association.

CONDITIONS OF ENTRY AND FEES

The Show is open to exhibits from any part of Canada. Exhibitors resident in Alberta must become members of the Alberta Horse Breeders' Association. Each member must be a bona fide breeder or owner. Entry must in every instance be made in the name of the bona fide owner. If any person shall exhibit an animal of which he is not the bona fide owner, except where sire and get are shown, or under false entry as to age or otherwise, he will forfeit any premium which may be awarded him and be precluded from exhibiting in the future.

Only animals that have competed in the regular classes are eligible for championship classes. No entry necessary for championships.

Errors or corrections in entries, if allowed, must be made with the Livestock Superintendent before the commencement of the programme in which the class is to be judged.

The substitution of one horse for another will be permitted, provided such substitution is made with the Livestock Superintendent before the class is to be judged, in order to make notation in judges' book.

Entries in the purebred classes must be recorded in the Canadian National Records, in the name of the exhibitor, if there is a Canadian National Record for the breed; if not, animals must be registered in a stud book recognized as reliable by the Dominion Department of Agriculture.

A pure-bred animal, that is an animal sired by a pure-bred stallion and whose dam is a pure-bred mare, cannot be shown in grade classes.

Baled hay and straw will be sold on the grounds; stabling and water supplied free.

Entries close on the 19th of March. Entrance fee, ten per cent. of first prize in class, for each entry.

The age of each animal must be stated in the form of entry, and shall be computed from the first day of January of the year in which the animal was foaled.

Animals must be shown in proper class as to age, and may be shown in as many classes as eligible, but mare may not be shown in three-year-old class, and also in class for dry mare or mare and foal.

MEASUREMENT

Horses and ponies shall be measured by the Official Measurer in the shoes in which such horses and ponies will compete, and his certificate of measurement will be accepted for this year's Horse Show.

In classes for pairs, four-horse or six-horse teams, if one horse in a pair, two in a four-horse team, or three in a six-horse team, should be half an inch under or half an inch over the prescribed height, such difference shall not disqualify the team.

Any horse or pony entered in a wrong class as to height, may be changed into its proper class upon notification to the Livestock Superintendent before class is judged, so that correction may be made in judge's book.

No animal shall be allowed on the grounds which is not entered for the Show.

Animals entered in progeny classes only will be charged a stabling fee of \$2.00.

No animal exhibited shall be decorated with prize cards or colors until after the awards are made, except in championship classes.

Horses not under proper control may be ordered out of the ring by the judge or Livestock Superintendent.

No person may ride or drive more than one entry in each class, except jumping classes, polo ponies and cowboy class.

All horses must be paraded whenever so ordered by the management, and all first and second prize winners must be shown for championships. Exhibitors failing to comply with this rule will be liable to forfeit any prize to which they may be entitled. Exhibitors must ascertain from the card published for that purpose, or the catalogue, at what hour judging will take place, and all exhibits must be ready to come into the ring 10 minutes previous to the time specified in the programme. No complaint or appeal based upon the statement that the judge has overlooked an exhibit will be considered by the committee. Exhibitors not having their entries forward when required for judging will forfeit all claim to prizes or entry fees.

No exhibitor will be allowed in the judging ring while the judging is taking place, except when personally showing an entry.

Competitors must turn to the left when entering the show ring.

LIABILITY OF EXHIBITOR

The Association will not be responsible for any animal or article of any kind or nature that may be lost or destroyed or in any way injured. Every animal entered for competition shall be under the control of the committee and judges, but each exhibitor shall be responsible for any loss or damage to his exhibit and for any injury that may be occasioned to any person, or in any way whatsoever by any horse exhibited by him, and each exhibitor shall indemnify the Association against all claims or demands of any kind or nature that may grow out of any injury occasioned by or to any horse exhibited by him, or arise from the negligence of the person in charge of such horse.

PRIZES

Any prize may be withheld when the judges are of the opinion that there is not sufficient merit in the entry exhibited to justify an award.

As the Prize List is published before all breed society specials have been decided upon, such classes may be altered or cancelled according to the wish of the breed society. This also applies to any special prizes which are included, owing to the Prize List having to be published before definite information has been received from the donors.

ALTERATIONS IN CONDITIONS

The committee reserves the right to correct any error or make any necessary alterations in the Rules, Prize List or Catalogue.

PROTESTS AND PENALTIES

The committee reserves the right of determining all disputed cases and protests, and from their decision there shall be no appeal.

Any exhibitor lodging a protest must first deposit \$10 with the Secretary, which sum shall be forfeited to the Association if the protest be not sustained. All protests must be made in writing, setting forth the reasons for the protest, signed by protestor, and must be lodged within 24 hours after the award is made.

In case of any infringement of the Rules, the committee may take action without a protest being filed.

JUDGING

As the object of the committee is to promote improvement in the breeding of all classes of horses, the judges in making their awards on stallions are instructed to decide according to their merits for the purposes of breeding, in addition to soundness, conformation and action.

The judge may, if he desires, call in the official veterinarian to pass on any horse as to soundness, height, or for any other reason. The judge's decision is final.

Any horse not sufficiently under control shall not be allowed to compete or remain in the ring.

Any person who shall, in the opinion of the Executive Committee, attempt to interfere with or influence the judges while in the discharge of their duties, or who shall at any time on the premises of the Association, use any contemptuous or abusive language to any judge, or within his hearing, in consequence of any award being made by him, or any exhibitor who refuses to accept any award made by a judge, shall forfeit any prizes already won and his right to show in any subsequent classes. Judges are particularly requested to report any breach of this rule.

LADIES

Ladies may drive accompanied by attendant in all harness and combination classes.

AGREE AS TO RULES

The Executive Committee reserve the right to decide any point not covered by the Rules.

Any exhibitor in making entries by so doing agrees to be governed by the foregoing Rules.

SHIPPING ARRANGEMENTS

Exhibitors should pay full single rate to the Show and if the animals do not change owners they may be returned to original point of shipment by the railroads free.
